## EDUCATION

**University of Arizona, Eller College of Management**

*Bachelor of Arts in Economics, Minor in History*

**Tucson, Arizona**

August 2022 – May 2025

- **Honors:** Academic Scholarship, Graduated in 3 Years.
- **Economics GPA:** 3.67.

## PROFESSIONAL EXPERIENCE

**MultiCare Health System**

*Data Analytics, Intern - Contracts & Strategic Sourcing*

**Tacoma, Washington**

June 2024 – August 2024

Chosen for 3 roles in a competitive, paid internship program (1000+ applicants, 3 interview rounds).

- Developed interactive dashboards and visual reports using PowerBI to identify trends, track KPIs, and enhance data transparency.
- Integrated data from multiple sources, including Excel, EHRs, and SQL databases to support comprehensive reporting.
- Participated in regular meetings to present analytics findings and contribute to strategic planning discussions.
- Analyzed healthcare data to support operational and clinical decision making.
- Presented findings and dashboard prototypes to stakeholders, incorporating feedback to optimize visibility and clarity.
- Engaged in and assisted in vendor negotiations during quarterly strategy planning meetings.

### Key Accomplishments:

- Automated updates to the contract calendar using Excel's Power Query, eliminating a task that previously took sourcing managers 30 minutes / day.
- Conducted analysis of expenditure data for over 100,000 contracts to detect pricing anomalies.
- Identified overcharges on medical products through data analysis, leading to cost-saving opportunities and improved vendor accountability.
- Discovered inconsistencies in unit listings and reporting metrics, cleaned and standardized data to ensure accurate and reliable analytics across dashboards and reports.

**Sunset Beach Café / Ben and Jerry's**

*Assistant Manager*

**Issaquah, Washington**

May 2021 - August 2024

- Engaged in more responsibility every year, including controlling stock of items, working independently, and managing both opening and closing.

**Snow Sports Northwest**

*Lead Ski Instructor*

**Snoqualmie, Washington**

December 2019 - May 2022

- Used strong organizational and communication skills to plan and conduct private and public lessons.

## TECHNICAL SKILLS

**Data Analytics & Visualization:** PowerBI, Tableau, Excel (PowerQuery, XLookup, Index/Match, PivotTables), R (data cleaning & visualization).

**Data Management:** Microsoft Excel, SharePoint (for data storage, collaboration, and version control).

**Business Tools:** Microsoft Office Suite (Word, Excel, Powerpoint, Outlook - used for documentation, presentations, and communication).
